## Organizer

INEX identifies, inspires, educates and empowers change makers for the challenges posed by a globalized world.

## Benefits

The INEX Summer University in Costa Rica is the premier study experience in Central America and a leading program in learning about sustainability.

- **Learn from the experts:**  
attend university courses with senior professors, and exchange knowledge with professionals from the field
- **Study Spanish:**  
enjoy full immersion Spanish courses in mini-groups while living with a loving host family
- **Meet like-minded people:**  
mingle with international students and locals
- **Enjoy field trips and travel:**  
visit banana plantations and local businesses, experience untouched rainforests, Caribbean lifestyle, and much more

**Learn more and apply until 25 April 2011
