Learning for Change.

inex.org

Organizers

INEX identifies, inspires, educates and empowers change makers for the challenges posed by a globalized world.

OeAD - Housing Office offers passiv houses for active students, accommodating over 5000 guests in energy efficient student dormitories.

Benefits

6 Austrian Universities have pooled their interdisciplinary expertise about green building and set up a three week academic program interwoven with practical knowledge and cultural exchange.

- **Learn from the best:**
 acquire cutting-edge skills from an Austrian consortium of 6 universities, experts and alliances
- **Best practice at hand:**
 internationally leading competence right in Vienna
- **Try it yourself:**
 enjoy Vienna while living in a passiv house
- **Add value to your clients:**
 deliver knowledge and skills for a healthy, cozy and energy efficient living
